The I30 is a top competitor when it comes to design and comfort. Its distinctive body shape makes it stand out on the road and its high-end engineering and superb build quality puts it straight in the elite in its segment. With the I30 IMOLA an extra step is taken! Its aggressive yet subtle looks make this I30 look at home not only on the road but also on all race tracks. An absolute "must" for all dynamic drivers.

CHARACTER

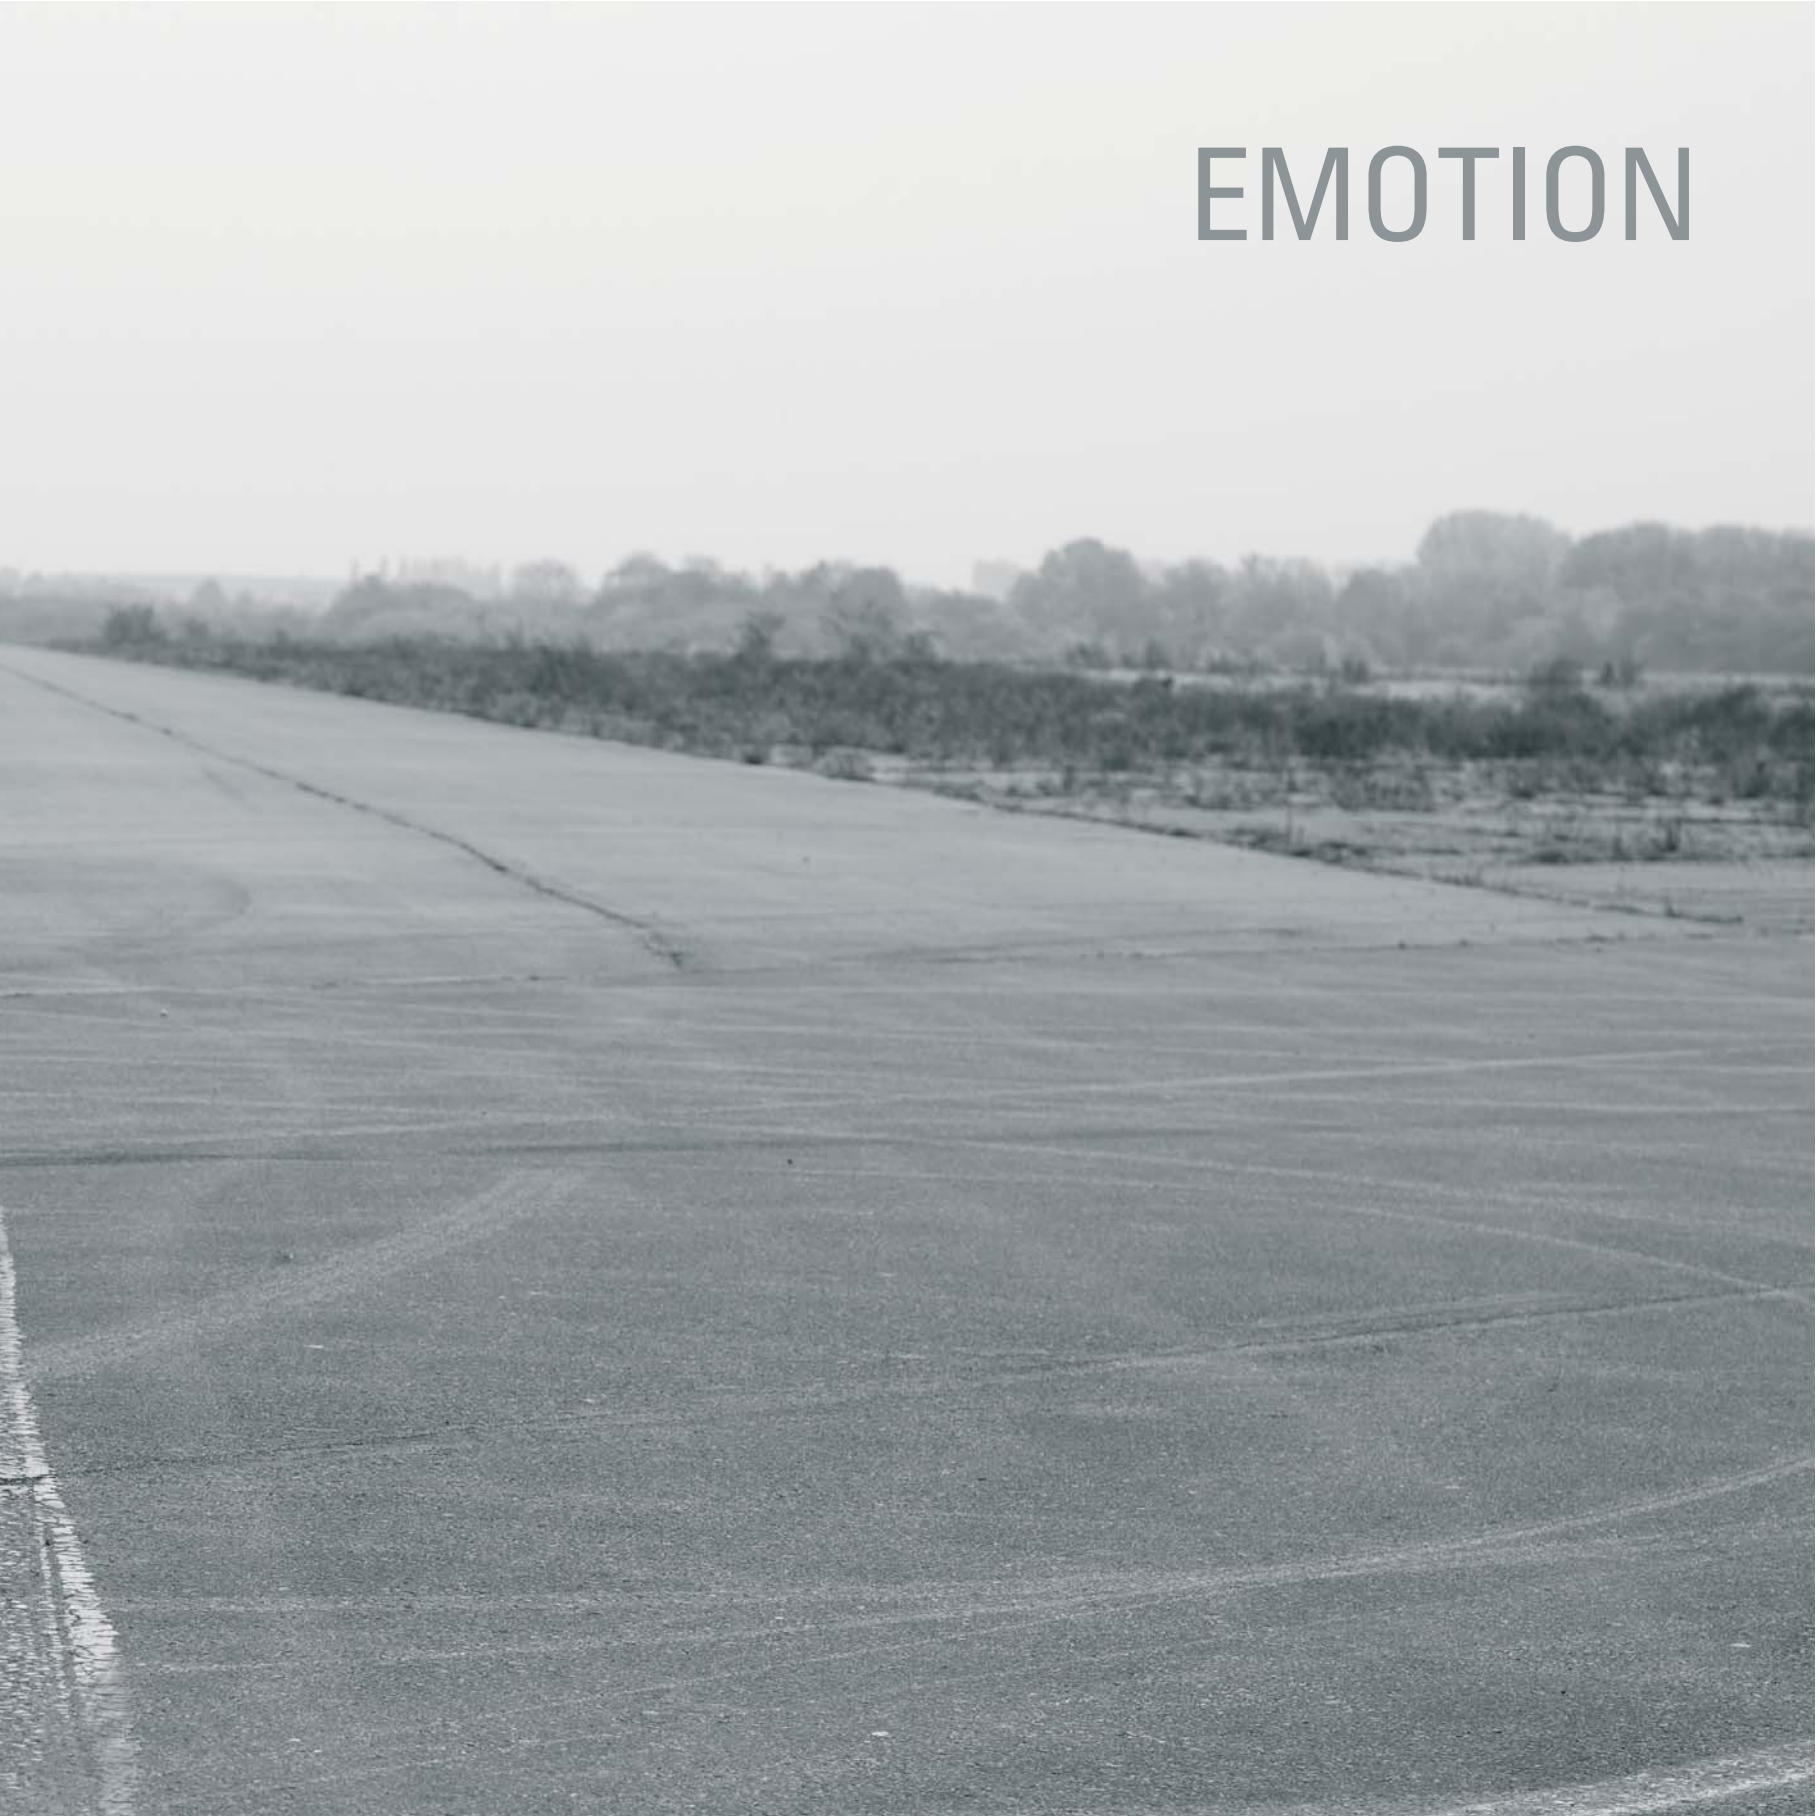

DYNAMIC

EMOTION

STYLE

The flawlessness and harmony of the I30 IMOLA are the result of extensive engineering research and aesthetic studies. The IMOLA unique looks could only be obtained with maximum attention to details and a high focus on quality.

Every bodypart is produced using the latest technology and is designed to add character and style to this road eater.
