C Alloy wheel kit 6.5J x 18" 225/60 R18 (TPMS*)

For a more dynamic driving experience / 10-spoke design / More safety with the innovative Tire Pressure Monitoring System

2SF40AC310

2SF40AC300 (non TPMS*)

D Steel wheel

Robust and highly resistant steel wheel / Perfect for the winter season / Center caps have to be ordered separately

2SH40AP400

*TPMS = Tire Pressure Monitoring System

Get ready for your mission

Perfect fitment. Robust materials.
Practical usage.

Transportation begins with reliability.

Our roof racks and cross bars build the base for all roof boxes or roof carrier systems.

Roof rack aluminium
Easy to install and remove / Unique OE design / Branded with Hyundai logo / Set of 2 / Without roof rails
2S210ADE00AL

Roof rack steel
Compliments vehicle's serene silhouette / Unique OE design / Branded with Hyundai logo / Set of 2 / Without roof rails
2S210ADE00ME

Cross bar aluminium
Made of lightweight aluminum / Unique OE design / Branded with Hyundai logo / Set of 2 / Without roof rails
2S211ADE00AL

Cross bar steel
Solid steel-made / Unique OE design / Branded with Hyundai logo / Set of 2 / Without roof rails
2S211ADE00ME

High quality and reliable materials.

That's what counts when it comes to towing and transportation demands.

A Detachable tow bar horizontal

Reliable pulling with minimized impact on car's silhouette / Made of high quality steel / Easy to install and remove / Maximum towing load capacity 2000 kg / D-Value 10,65 kN / Horizontal detachable (BMA system) / Socket & tow bar construction remain / Partially visible when not in use / Bumper cut out needed

2S281ADE01

B Detachable tow bar vertical

Reliable pulling with minimized impact on car's silhouette / Made of high quality steel / Easy to install and remove / Maximum towing load capacity 2000 kg / D-Value 10,65 kN / Vertical detachable (3-ball locking system) / Small cut out bumper inside / Not visible socket & tow bar housing invisible when not in use / Integrated in R&D vehicle testing & 100.000 km Monitoring

2S281ADE00

C Fix tow bar

Perfect solution for regularly use / Made of high quality steel / Maximum towing load capacity 2000 kg / D-Value 10,65 kN / Coating: dip painting

2S280ADE01

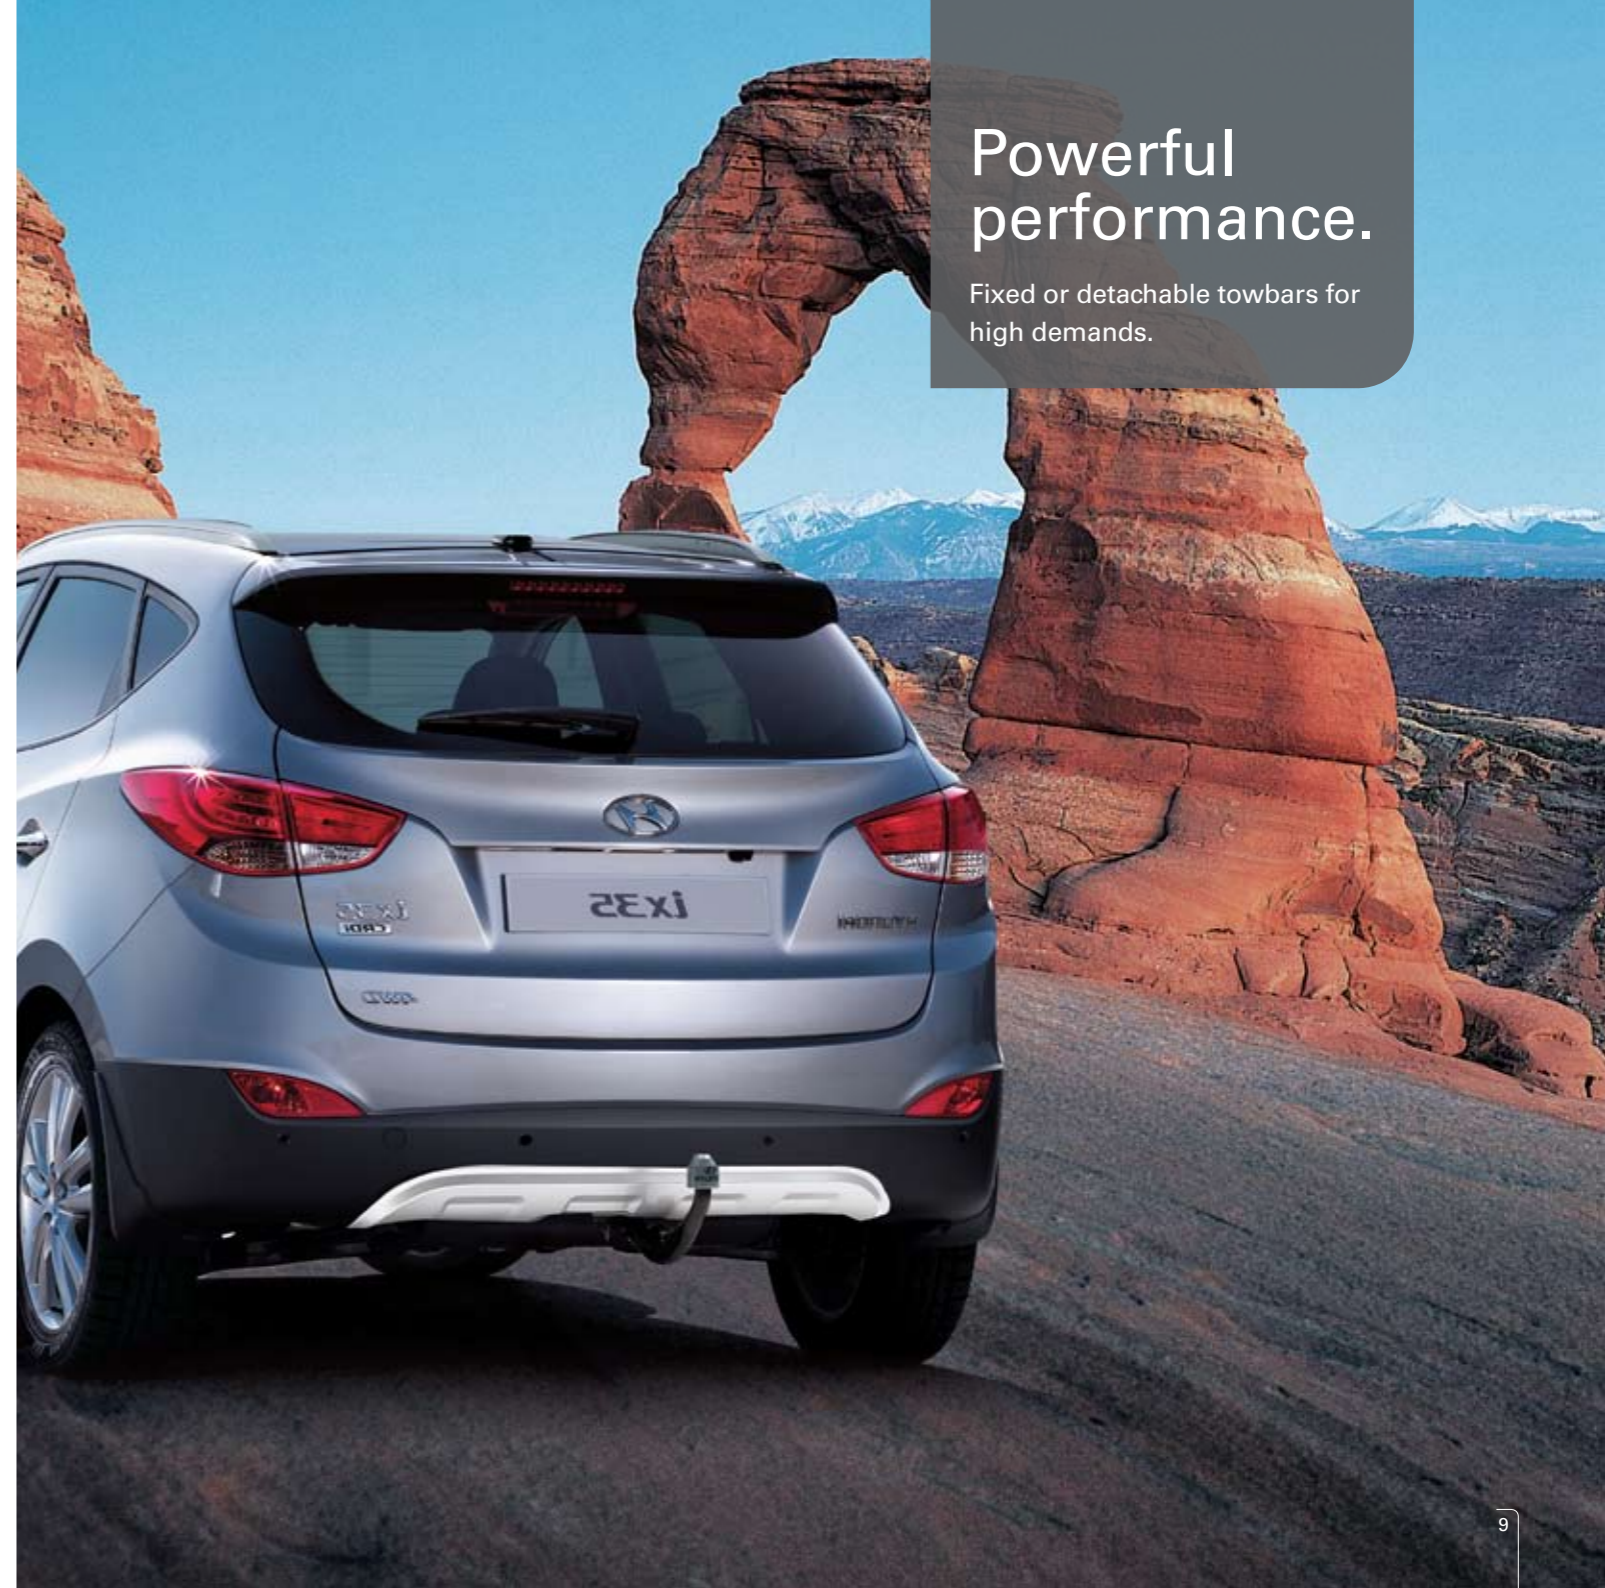

D Fix tow bar

Sturdy and robust construction / Made of high quality steel / Maximum towing load capacity 2000 kg / D-Value 10,65 kN / Coating: KTL (cathoretic painting) / Integrated in R&D vehicle testing & 100.000 km Monitoring

2S280ADE00

Powerful performance.

Fixed or detachable towbars for high demands.

Just relax.

Always a pleasure when comfort meets safety.

A Cargo net

Prevents damages caused by tumbling objects in trunk / Flexible and protective net between passenger and cargo compartment / Easy to install and to remove
2SH17AP000

B Cargo separator

Reliable and safe cargo separator / Solid steel-made covering area above backrest / Easy to install and to remove
2S150ADE00

Tow bar wiring kit 13 pole (no figure)

Perfect usability / Towbar wiring 13 pole with PDC cut-off function / With C2 function: warning via buzzer in case of malfunction of indicator / C2 function works with both bulb and LED trailer lights / brake light on trailer / Vehicle specific wiring harness with OE connectors for easy installation / Waterproof socket / Integrated in R&D vehicle testing & 100.000 km Monitoring
2S621ADE00CP

Tow bar wiring kit 7 pole (no figure)

Perfect usability / Towbar wiring 7 pole with PDC cut-off function / With C2 function: warning via buzzer in case of malfunction of indicator / C2 function works with both bulb and LED trailer lights / brake light on trailer / Vehicle specific wiring harness with OE connectors for easy installation / No waterproof socket / Integrated in R&D vehicle testing & 100.000 km monitoring
2S620ADE00CP

A Bike carrier tow bar mounted

Easy-to-use solution for perfect mobility / Made of solid steel/aluminium / Fast assembly: 20 seconds to mount / Light weight: 13 kg / Compact & new design / New tilt mechanism: easy retractable 100% loading comfort / According to highest European safety standards
E823055000

B Bike carrier roof mounted

Easy to use with single hand automatic tensioning and locking system / Aluminium bike carrier for 1 bike / Leaves one hand free to hold the bike / For both steel and alu roof racks
E822099600

C Ski and snowboard carrier

Mounted in seconds / Aluminium ski/snowboard carrier / Perfect for 4 pairs of skis or 1 snowboard and 1 pair of skis / For both steel and alu roof racks
E821099604

D Ski and snowboard carrier

Comfortable for winter season / Robust aluminium ski/snowboard carrier / Perfect for 6 pairs of skis or 2 snowboards and 1 pair of skis / For both steel and alu roof racks
E821099606
